## Description of the Scholarship

The Scientific and Technological Research Council of Turkey (TÜBİTAK) grants undergraduate scholarships for international students who are medal winners at any the International Science Olympiads\*. The scholarship covers fields of Natural Sciences, Engineering and Technological Sciences, Medical Sciences, Agricultural Sciences, Social Sciences and Humanities.

*\*International Mathematical Olympiad (IMO), International Physics Olympiad (IPhO), International Chemistry Olympiad (IChO), International Biology Olympiad (IBO), International Olympiad in Informatics (IOI).*

## Who Can Apply

The scholarship is open to all students who want to pursue an undergraduate degree program in Turkey on the following conditions:

- Applicants should be non-Turkish citizens. Applicants who hold dual citizenship with Turkey are not eligible to apply.
- Applicants should have medal(s) in the International Science Olympiads.
- Applicants who hold a high school diploma or who are currently enrolled in their last year of high school are eligible to apply for scholarship on the condition that they should enroll in an undergraduate program related to topic of the Olympiad.
- Medal winners who are currently enrolled in an undergraduate program in Turkey are also eligible for the scholarship on the condition that they are enrolled in an undergraduate program related to topic of the Olympiad.

While proof of acceptance to an undergraduate program is not a prerequisite to apply for the scholarship, awards will only be granted on the condition of enrollment in an undergraduate program in Turkey within one year of the notification of the award.

## Required Application Documents

1. Application form
2. Photocopy of identify certificate or passport
3. Certificate of achievement in the International Science Olympiads
4. Undergraduate student certificate \*
5. Letter of commitment \*

*\* The documents should be sent to TÜBİTAK by awardees after having enrollment in an undergraduate program in Turkey within one year of the notification of the award.*

## Award Details

- The scholarship will consist of
  - i) A monthly stipend of 1.000 Turkish Liras (TL)
  - ii) Tuition fee
- The scholarship lasts four to six years depending on the duration the undergraduate degree program enrolled.
- All scholarship awardees who successfully complete an undergraduate program will be rewarded scholarship for graduate program on the condition that they are admitted to a graduate program in Turkey.

## How to Apply

Information about the required application documents can be obtained from the program website at <http://www.tubitak.gov.tr/bideb/2205>.

All applications must be submitted electronically via TÜBİTAK scholarship application portal, which can be found at <http://e-bideb.tubitak.gov.tr/>.

## Application Deadlines

Application deadline for 2014 is:

- October 14<sup>th</sup> (Applications will be accepted beginning on September 1<sup>st</sup>).

## Terms and Conditions

Awardees must begin their undergraduate program within one year of having been notified of the award.

The responsibility of gaining acceptance to a graduate program in Turkey belongs to the candidate. Candidates must meet all requirements for admission as set by respective universities.
