TÜRKİYE GREEN INDUSTRY PROJECT

Request for Expressions of Interest (REOI)

Project No: P179255

Project Name: Türkiye Green Industry Project (Türkiye Yeşil Sanayi Projesi)

“Türkiye Green Industry Project” (TGIP-“the Project”) is a project implemented by Ministry of Industry and Technology (MoIT), the Small and Medium Enterprises Development Organization of Türkiye (KOSGEB) and the Scientific and Technological Research Council of Türkiye (TÜBİTAK) financed through World Bank. The project is designed to accelerate the green transformation in industry and thus intensify decarbonization efforts. The Project duration is 6 (six) years and the project implementation entities are MoIT, KOSGEB and TÜBİTAK.

TÜBİTAK is managing **Component 3** that includes four subcomponents, targeting different levels of Türkiye’s R&D and innovation ecosystem. With this component, TÜBİTAK will provide matching grants, and reimbursable financing to private enterprises and service providers to finance of their green innovation subprojects. Projects that will be supported through R&D and innovation support programs carried out by TÜBİTAK within the scope of the TGIP are defined as “subprojects”.

In this context, TÜBİTAK has established a Project Implementation Unit (PIU) within its administrative structure reporting to the World Bank and manage the project activities in collaboration with all other stakeholders.

The Scientific and Technological Research Council of Türkiye (TÜBİTAK) now invites eligible individual consultants (“Consultants”) to indicate their interest in providing the Services described in the related Terms of Reference. The duties, numbers, and contract numbers of consultants to be recruited are given in the table below. The detailed Terms of References (TORs) for the assignments can be found at the following web page address: <https://tubitak.gov.tr/tr/insan-kaynaklari/tgip>
